Supplemental Declaration for Utility pursuant to 37 CFR 1.67

Dear Sir:

Please find enclosed a Supplemental Declaration for Utility pursuant to 37 CFR 1.67, intended to replace Supplemental declaration filed on November 20, 2006. The aim of the instant declaration is to correct the name of the invention: **TOOTHBRUSH FOR PREVENTION TREATMENT OF TOOTH SENSITIVITY AND METHOD THEREFOR**.

The word "treatment" was inadvertently excluded from the invention's name in the previous declaration mailed on November 20, 2006. Although the said Supplemental Declaration has not been requested by the Office, it is voluntarily submitted herein with the intention of correcting deficiencies or inaccuracies present in the earlier declaration. If any additional information is required, please do not hesitate to contact me immediately, I can be reach at 787-467-5522 or 787 754-0855.

Respectfully,

Hector M. Reyes-Rivera, PhD JD
